To whom it may concern,

We are reaching out to share information about our upcoming Eid celebration, a deeply significant event for Muslims around the world which is celebrated for one to three days.

According to our lunar calendar, Eid is anticipated to take place on March 30th this year.

Eid is a joyful occasion that marks the conclusion of a month of fasting and spiritual growth. It is an important time for Muslims to gather with friends and family. Many community members will be taking the day off from work and school to observe this special day, which includes familial gatherings, communal prayers, and various festive traditions.

We kindly ask for your understanding and support during this important religious observance. Your accommodation will greatly contribute to our celebration and the sense of community we cherish.

Thank you for your consideration.

Sincerely,

Salah Mahmoud
