

Islamic Center Of Frisco

Office of the Imam

Dear School Administration,

The Muslim community of the City of Frisco and adjoining areas (including but not limited to school districts) will be celebrating an Islamic holiday of Eid al-Fitr on April 10, 2024.

Eid al-Fitr is celebrated annually by Muslims worldwide to mark the end of the of Ramadan. Eid al-Fitr is one of the two important religious holidays celebrated by Muslims worldwide. As Eid-al-Fitr is a very important religious holiday for Muslims, we request you to excuse the respective Muslim student(s) from attending school on that day and not count the absence as an unexcused absence. It would certainly be appreciated if the student could make up any missed class work at a later time.

We thank you for your consideration and understanding in this matter. If you have any questions or need additional information, please contact the parents or the Islamic Center of Frisco directly at imam@friscomasjid.org.

Sincerely,

Salah Mahmoud

Imam, Islamic Center of Frisco
