KASHIF KHAN

AS Salam Aleikum dear fellow members of ICF congregation,

It is with deep conviction for continued growth and success of ICF I am once again putting myself in front of you as a candidate for Ameer at Islamic Center of Frisco. I have been a member of ICF community since 2007 and prior to earning your trust to serve as Ameer for the past two years, I served our community actively and passively for the past 14 plus years. It was my absolute honor to be at the helm along with my other brothers and sisters of the shura to guide ICF through the last two eventful years. Prior to becoming Ameer of ICF congregation I had the honor of serving in the following capacities:

Member of Shura

Sunday school teacher

Member of Imam Committee

Member of CAP committee

ICF representative for Council of Collin County Masajid

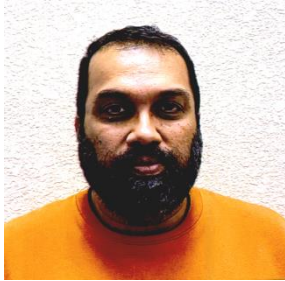

ICF representative in further development of Denton Cemetery

ICF representative in further development of Farmersville Muslim Cemetery

Volunteer for several fundraisers for ICF

CO-lead ICF fundraiser in 2015

I am looking forward to earning your trust again to continue to lead this congregation in furthering its mission in a very strategic manner; continue to work towards completing the construction project, all while providing a robust environment for praying, gathering, and learning. Plus continue to lead Islamic Center of Frisco within Frisco and Collin County at large as a leader within faith-based institutions committed to theological and social well-being at large.
